Founders Trophy @ Bull Run 2025 Recap

Gentlemen –

It was a hot day and the course was very wet, but we gave it our best and everyone seemed to have fun.

Closest to the pin was won by Edward Gregorowicz with a pin seeker that ended up 1’7” from the cup. Congratulation Edward! Jason Lilly pipped a drive down the right center of the fairway on hole 14 to put his name on the Long Drive marker and it held. Nice job Jason!

We had a three man putt off after the event. Steve Smingler, Edward Gregorowicz and John Sullivan each competed in the putt off. In the end, John Sullivan took home the award and won the Putting award. Excellent win Sully!

Ross Charles shot even par to win the Lion Man. This man can't be stopped. Goat boy had some familiar faces near the bottom, but Joe Radakovich took one for the team with 18 Stableford points.

We had a log jam at 31 points this month, but one man rose to the occasion. Jason Lilly shot 37 Stableford points to win by 6. Impressive win Jason! This is Jason's first win as a Pen Pusher.
